NUDES

SYNOPSIS

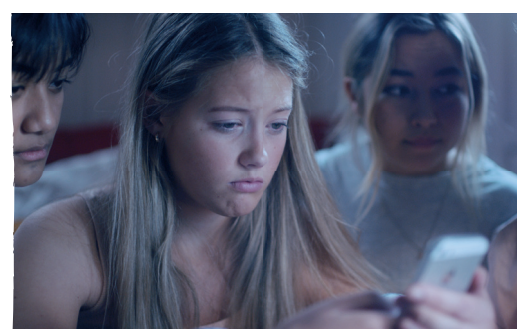

Sofia, 16, and Axel have sex at a party. The next day a film of them is sent around their school. She and her friends go on a pursuit in order to find out who filmed. Ida, 14, meets a guy on Tinder. Later, she's contacted by Jan, who tells her that a nude of her is posted on a closed forum. He can help her, but he needs something in return. Viktor, 18, is accused of child pornography because of a film he's posted on Snapchat. He tries to get Miriam to drop the charges, but his actions have huge consequences.

NUDES is an exciting teen drama told as an anthology series about 3 teenagers from different parts of Norway.

They are in the midst of their very first life crisis when they get nudes spread through social media.

They struggle to handle the situation and to regain control of their own lives.

The series seeks to make teenagers more aware of what nudes are and what they can do, both legally and interpersonally, if they experience the spread of intimate content of themselves or someone close to them.
